IT'S ALL IN GOOD FUN

THE RANCHO DE LOS CABALLEROS KIDS CLUB

"This will be a great year to be a kid at the Ranch!" That's General Manager Rick Hamilton talking, and he's super-excited about our new Kids Club Director, Addie Brown.

Addie is bringing experience and an energized perspective to our children's day camp. Your whole family will love what she has planned for ages five to twelve!

You'll also enjoy the Kids Club's new, larger home. It's conveniently located right next to the children's playground, for easy pickup and dropoff.

So, what's in store at Kids Club for your cowgirls and cowboys?

One of our favorite activities is horseback riding, and we'll show your kids the ropes. Doesn't matter if they've never been on a horse before, they'll have a great time! And, if they're eight years or older, they can hit the trails with our Kiddie Wrangler, Caroline.

While we're talking about horses, can we share a little secret? Our horses are some of the best teachers your kids will ever meet.

While they're on horseback, your kids will learn teamwork, kindness,

confidence, and the importance of a positive attitude. When we say "Cowboy up!" we mean it!

If your kids prefer other activities, we've got 'em covered! They can choose from arts and crafts, hiking, scavenger hunts, swimming, and tennis lessons.

All Kids Club activities are complete by 9 pm. And we guarantee that your young 'uns will be more than ready for bed!

Got kids younger than five? Don't stay home. Bring those little ones to the Ranch! We can make babysitting arrangements during check-in, or ahead of time with a minimum of 24 hours notice. Give us a call at 800-684-5030.

As the father of three, I know the importance of engaging children in activities that stimulate them physically and intellectually. I am very excited to bring Addie Brown into our program, and I look forward to the perspective she'll bring to our children's activity planning. Additionally, the new location for our Kids Club brings the children's room to a prominent location with easy access to the playground and all the outdoor spaces that Rancho de los Caballeros has to offer. This will be a great year to be a kid at the Ranch!

RICK HAMILTON
GENERAL MANAGER

INTRODUCING *Carl Terry*

Rancho de los Caballeros is pleased to announce that Carl Terry has accepted the position of Executive Chef for the 2016-17 season. Carl came to us mid-season last year and contributed mightily to the success of our culinary team. Carl brings to the Ranch a wealth of experience from years creating in kitchens from Napa Valley, California to Park City, Utah — and ultimately to Phoenix, Arizona. Please join me in congratulating Carl on this exciting promotion. We all look forward to experiencing the culinary creations produced by Carl and his team in the season ahead.
